

Meet Nyla

Nyla is a 17-year-old female who is kind, respectful, and has a good head on her shoulders. Nyla loves music, her faith, basketball, and Chipotle. Nyla is self-motivated, goal oriented, and values skills that assist her succeeding in life as she will be entering adulthood in a few years. Nyla is a teenager who keeps her space clean and is helpful around the home.

Nyla would benefit from a family who are able to provide and demonstrate trauma-informed care, patience, stability, as well as flexibility. Nyla is open to a single or two parent home, whether that is mom/mom, mom/dad, or a single mom. It is crucial the home is supportive of the LGBTQ community as Nyla identifies herself apart of this group. While Nyla loves animals, she would benefit in a home that does not have them as she is allergic.
